Juniors Celebrate Rings

The Junior class received their class rings during an evening Mass in the chapel. The Mass was celebrated by Fr. F. X. Cleary, S. J. After a procession to the altar, Sr. Francis Marie and Mrs. Gans presented the rings. After Mass, the class celebrated with family, friends, and refreshments in the parlor.

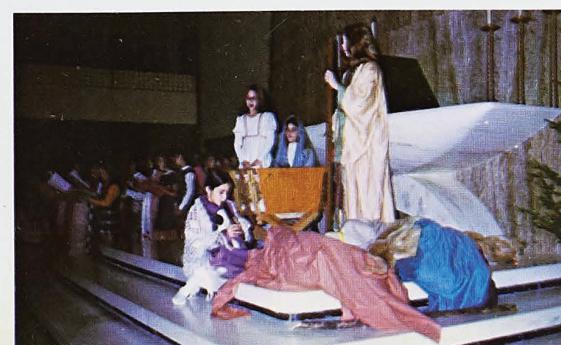

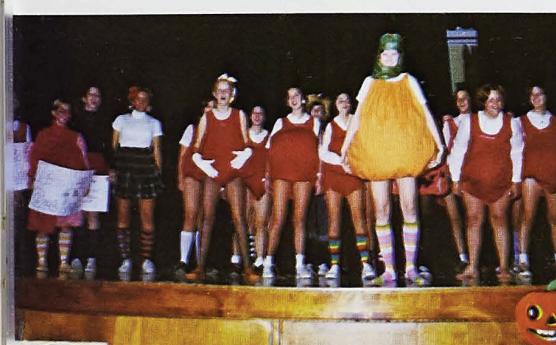

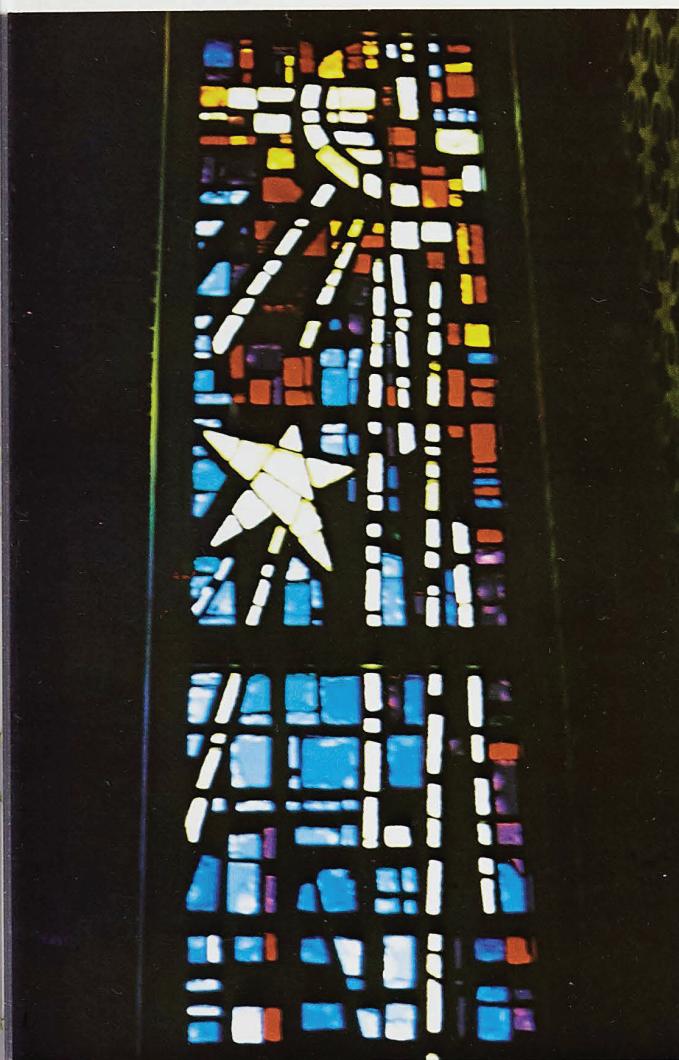

A Time Of JOY!

Christmas vacation began with the fantastic sounds of Kip Niven at the Visitation Christmas Dance. Juniors, seniors, and their escorts were in the Christmas Spirit and had a great time.

Montage 1975

The all-school play, Montage 1975, was Visitation's salute to the Bicentennial. The students, directed by Mr. and Mrs. Monahan, saluted the American Woman by depicting various roles that she has played throughout history. Scenes from THE GLASS MENAGERIE, THE MATCHMAKER, THE MUSIC MAN, THE EFFECT OF GAMMA RAYS ON MAN-IN-THE-MOON MARIGOLDS, AMERICAN HURRAH, THE RAINMAKER, and the MIRACLE WORKER portrayed the valiant as well as humorous women of history.

Special Events

Visitation girls collected food for Thanksgiving baskets and distributed them to inner city families.

Spanish students celebrate a Mexican Christmas with the traditional pinata party and singing the Christmas story in Spanish. Everyone leaped onto the floor to gather the peanuts as the pinata broke.

Incoming freshmen recite their pledge to the Old Maid's Club as President Laura Sims looks on. Old Maid's Day is celebrated on the 12th day of the year and is a tradition started by the class of '73.

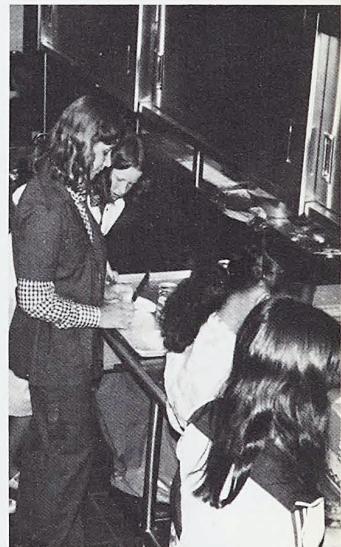

Freshmen class officers were installed at a special assembly during which they received a candle and a long-stemmed carnation. Newly installed officers are Susie Whalen and Laura Rapp (student council representatives), Carrie Luepke (Vice-President), and Joan Tramelli (President).

Community Day Unites Viz

This year the CLC organized Community Day. The morning started off with a talk given by Father Jerry Kleba from Visitation Holy Ghost Parish... "I knew I could go an hour." Afterwards, many workshops were held including speakers from Jericho House and St. Anselm's Parish. At noon, lunches were exchanged to create a feeling of empathy and understanding. In the afternoon, the followers of the Way entertained us with music before the celebration of the Liturgy.

Students Display Skills On Field Day

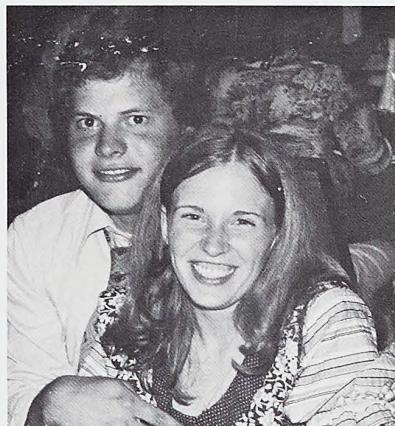

This year's field day provided both amusement and challenge. Athletic events were held all morning and most of the afternoon. As the day came to an end, the students were joined by their families for a barbecue dinner and the presentation of the athletic awards. The high point trophy of the day was won by Ann McDonald. Many thanks to Miss Ellen McCormack and the VAA for a terrific organizing job.

Juniors Honor Seniors With Prom

This year the Junior-Senior Prom was held at Trader Vic's in the Bel Air East Hotel, downtown.

The Juniors once again invited their favorite band, "March Hare," to the delight of everyone. Congratulations, Juniors, for giving such a great prom!

A One Act Festival

Each year the Drama Department sponsors a One Act Play Festival for the seniors, juniors and sophomores. All three of the plays are completely directed and arranged by the students, allowing them to experience the behind-the-scene traumas as well as the acting itself. This year, Jane Cahill directed the senior play "Bottled Beauty," Janet Dunn directed the junior play "How to Get Rid of a Housemother," and Donna Dann directed the sophomore play "Final Dress Rehearsal." Each class worked very hard for several weeks to put its play together, and it proved to be worth the efforts as it provided an enjoyable evening for everyone.

The Bicentennial Turkey

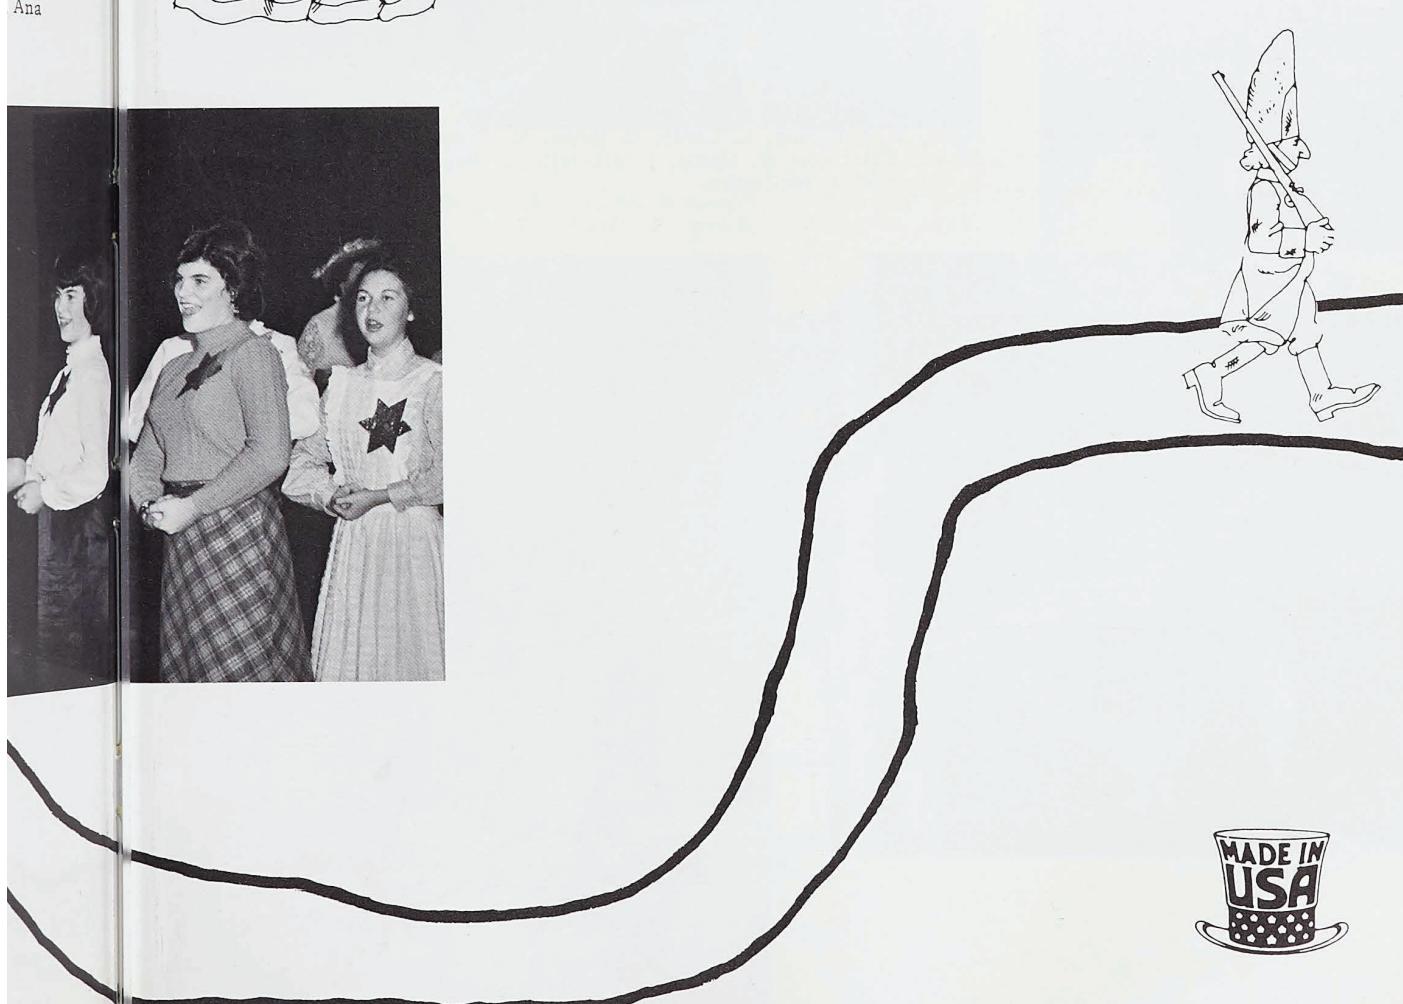

Once upon a time there was a Bicentennial turkey. This particular turkey had red and white striped feathers and blue staved feet. He called himself Turkey Sam. He took his name after Uncle Sam because of his Bicentennial body. All the other turkeys made fun of him, but he was proud of his bicentennial body. Turkey Sam walked around with his chest sticking up in the air. Well, Turkey Sam fell in love with another turkey. Her name was Tammy Turkey. She liked him because he was different. They got married and had brown-tennial turkeys. They were half brown, after their mother, and half bicentennial after their father, and the Brown-tennial family lived happily ever after.

Students' Council Enlivens Our Spirits

Ann Daves has done a terrific job this year in getting the Students' Council off to a good start. The Council has done much to promote enthusiasm for the school, along with the sponsoring of many activities. The biggest event of the year, of course, was Carnival. Again, we were able to keep up the tradition of topping last year's income.

At the beginning of the year, the Freshmen were made welcome during Freshmen Week. Each day, a different class surprised them with some sort of event. In February, our Students' Council got together with the Students' Council from Chaminade to hold a Cystic Fibrosis Rock-a-Thon. To finish off the year, an Ice Cream Social was held in April where the students enjoyed sundaes following the movie "The Trouble With Angels." Congratulations to a great Students' Council! (No, Ann...don't cry!)

Yearbook Staff Puts It All Together

First Row: S. Kloecker, A. Bettonville, M. Bettonville, L. Greenley. Second Row: M. A. Fournie, Sr. Karen Marie, C. Schulz, L. Puleo, M. Huck.

The yearbook staff has changed quite a bit since last year. Many of the members are new and we have a new moderator--Sister Karen Marie, to whom we give our very special thanks. With the increased number of advertisements, we have been able to increase the size of the book by thirty pages. We also give thanks to Julia McCarthy who designed the cover and Nora Kelly who did much of the artwork.

Z Club, a high school branch of Zonta International, is a club designed to meet the needs of the school and the community around it. This year the activities of the club included a canned food drive, carolling at the Harry Truman Restorative Center, and a very cold Old Newsboys' Day. The club's most renowned endeavor was the Z-Club Deli which served overstuffed sandwiches all year.

Christian Life Community Flourishes

The Christian Life Community has expanded its activities at Visitation this year. For the first time, many of the members have had the opportunity to attend several of the conventions held in other cities such as Kansas City, Boston and Des Moines. With the help of Sister Mary Grace and Sister Karen Mohan, the CLC has been able to promote new projects including the overnight, bake sales, Christmas caroling, Community Day, and the Thanksgiving food drive.

The Vivettes for Life are a versatile group who are concerned about improving the quality of life for the unborn, handicapped, the poor, and senior citizens. Officers Margaret Tucker and Kathy Bolinske, moderator Sister Marie Therese, and a core group have organized such events as the Anti-abortion march to the Old Court-house, the "Saint-for-a-Day" contest and Mrs. John Horgan's pro-life assembly. Six girls attended the Thanksgiving National Pro-Life Coalition Convention. All the Vivettes participated in the November food drive and helped send money to the Bishop's relief fund by buying water instead of soda on National Fast Day. And, caroling with the other Vivettes pleased the people at the Harry Truman Center. The Vivettes for Life make a definite stand as they promote such activities as the Cardinal's Pro-Life baseball game in June and protest such events as the Dr. Edelin lecture in May.

Spirit Club And VAA Have A lot To Cheer About

With the help of President Colleen Mohan, the spirit club has grown to the one of the largest at Viz. Along with celebrating the holidays, the club bakes cupcakes for all the Vivettes' birthdays. Tracy Mehan heads all the activities of the VAA this year, including Field Day and the annual awards banquet.
